

Stephen Mayer

As a University of Florida grad and native of the Treasure Coast, Stephen truly loves and the Treasure Coast Community home. Over the span of three years, Stephen Mayer has treasured learning the craft of acting and stage managing at A.C.T. Studio Theatre. As a student honed on this very stage, he has appeared in several plays as actor and stage manager, and now looks forward to continuing to grow with our amazing group of talented and dedicated artists. He is inspired to focus on story telling as Show Director and is so honored to be a part of the A.C.T team.
